

...COULD BECOME THIS?

```
import wrapper from 'wrapper';

wrapper.onScroll(respondToScroll);

respondToScroll(scrollPosCheck[0]);
});
}
else {
  window.addEventListener('scroll', respondToScroll);
}
```

```
    evt => {
      match(/scrollPos:(.+)/);
    }
  }
}
```

OR LOOK AT THIS CODE...

```
if (isNewsApp()) {  
    window.location = 'bbcnewsapp://visualjournalism/pageloaded';  
}  
else if (isInsideIframe()) {  
    window.postMessage('pageLoaded');  
}  
else {  
    removeLoadingSpinner();  
}
```
