The image shows a content management system (CMS) interface. On the left is a text editor with a toolbar containing various formatting options like bold, italic, list, link, and image. The main text area contains placeholder Lorem Ipsum text. Below the text area, a red box highlights a field containing the path `/include/visual-journalism/123-quiz` and an 'Include' button. A large blue arrow points from this path to a file explorer on the right. The file explorer shows a directory structure with a folder named '123-quiz' containing subfolders 'embed' and 'standalone', and files 'app.min.js', 'index.html', and 'wrapper.js'.
