# FIXING FULL-SCREEN MODE

Application code (inside iframe)

```
if (isInsideIframe()) {
  window.parent.postMessage({ name: 'window:toggleFullScreen' }, '*');
}
else {
  document.body.className += ' fullscreen';
}
```

FIXING FULL-SCREEN MODE

Host page

```
// host page
window.addEventListener('message', function () {
    if (event.data.name === 'window:toggleFullScreen') {
        document.getElementById(iframeUid).className += ' fullscreen';
    }
});
```
